HIGH-RISK WARNING

Cryptocurrency trading has large potential rewards, but also large potential risks. The high degree of leverage and market volatility can work against you, as well as in your favour. You must be aware of the risks of investing in Cryptocurrencies and be willing to accept the risks in order to trade within these markets. Forex trading involves substantial risk of loss and is not suitable for all investors. Please do not trade using borrowed money or money you cannot afford to lose. This website, our platform and our community chats does not offer Buy/Sell Cryptocurrency signals or other financial products. No guarantees are made by or on behalf of Welovewise-token.com that any account will, or is likely to achieve profits or losses similar to those discussed in any material on our website, our platform and our community chats. Any opinions, news, analysis, prices, trade ideas, setups or other information on our website and related platforms is provided as general market commentary and does not constitute investment advice. We will not accept liability for any loss or damage, including without limitation to, any loss of profit, which may arise directly or indirectly from the use of or reliance upon such information.

No representation is being made that any account will or is likely to achieve profits or losses similar to those discussed in any material on this website, our platform and our community chats.

Remember stocks, Forex, Cryptocurrencies, futures and options trading are leveraged products and can result in the loss of all invested capital, complete loss of your account or even more liability than your invested amount. Whatever you do, those would be your own activity. All responsibilities are yours only.

INDEPENDENT RESEARCH

You should carry out your own independent research before making any investment decision.
